The Spirit of God at work in you

CONNECTING OUR PEOPLE WITH THE SPIRIT OF GOD BUSINESS WHO HELPS THEM TO MEET THEIR NEEDS

Down through the years, all of our fathers were led by the spirit of God into their God-ordained destiny. It is clear when Jesus told the religious leader of his days, Nicodemus, the same truth, "you need the Holy Spirit". In bravado, He said, "You must be born again".

When the children of Israel returned from their bondages and dream about Jerusalem that Radiant City, the angel told Zachariah, "this is the word of the word of the Lord, "Not by might, nor by power but by my spirit says the Lord of Host".

As a prophetic congregation, we shall make all effort to live our lives as being led by the Holy Spirit. It is said in the Proverbs, wisdom is deep in the heart of a man but a man of understanding will draw it out. Our desire at The Great House Family Worship Center is to serve God and worship him in Spirit and in truth. Our goal is to cause every man and woman to be directly reconnected to his Creator; anything less is a failure.

If our people lives are to be meaningful and successful, they must understand that all men great and small are influenced by the Spirit of God.

In the end, we do not want our people to be connected as it were to a denomination, a philosophy, a prophet, a man or a dogma but rather that they will grow in wisdom and strength and find favor with God and men.

So welcome to an environment where the realm of God's spirit is worshipped and where the sphere of His truth is lived. It is our desire that you will come to taste of the Grace that God has poured into your lips and that you have been anointed with the Oil of Gladness. In the end, we as the elders, wants your sufficiency to be of God and not of men. So that you may prosper and be in good health even as your soul prosper.

Michael Lattiboudeaire.
